EXPANSION OF RUSSIA, 1648-1795

Roman figures denote the order in which the various regions came under Muscovite rule.

Large Arabic figures—the dates when boundaries were constituted.

Small Arabic figures—the dates when towns were founded and their environs settled.

••••••• Definite, ---- Indefinite, boundaries.

I Muscovy, when the Hetman's Ukraine transferred its allegiance in 1648.
II Smolensk and left bank Ukraine, 1667.
III Duchy of Kurland, 1715.
IV Zaporogian Country, 1750–1775.
V Polotsk and East White Russia, 1772.
VI Coast from Bug to Don (New Russia), 1774.
VII Crimea and the Kuban, 1783.
VIII West White Russia to Podolia, 1793.
IX Lithuania and West Volhynia, 1795.
